Subject: Microsoft Settlement

I'd like to express my opinion regarding the proposed Microsoft settlement. In short, I'd like to see the matter settled, as proposed, so we can all move on. This suit was never about consumers; it was always about Microsoft's competitors. Besides, with Linux and Apple gaining strength, I am not even convinced it is a monopoly, as the courts contend. Please quit wasting the taxpayers' money and trying to destroy a great American company in the process. Thanks.
